Application for Reciprocal Jurisdiction Reinsurer:
ENDURANCE SPECIALTY INSURANCE LTD

Dear Jessica Miele,

We have reviewed the **renewal** application from **ENDURANCE SPECIALTY INSURANCE LTD** for certification as a Reciprocal Jurisdiction Reinsurer in the State of Alaska so that ceding reinsurers in the state may be granted reinsurance credit as outlined by AS 21.12.020(a)(6). In making our determination we have reviewed the following:

1. The Uniform Checklist for Reciprocal Jurisdiction Reinsurers
2. Lead State Determination of Status
3. Form RJ-1

Based on our review, **ENDURANCE SPECIALTY INSURANCE LTD** has been granted the status of **Reciprocal Jurisdiction Reinsurer** for the lines of property and casualty, life, annuities, accident and health reinsurance for the period **January 1, 2025, to December 31, 2025**. This is contingent on the company remaining in full compliance with AS 21.12.020(a)(6).
