RE: Request for Certified Reinsurance Status and Rating – Endurance Specialty Insurance Ltd.

Dear Ms. Mieles,

The Minnesota Department of Commerce has completed its review of the above-referenced renewal application filed pursuant to Minnesota Statute § 60A.0921. Based on our review, we have determined Endurance Specialty Insurance Ltd. is eligible for a reduction in collateral commensurate with the rating assigned by the Florida Office of Insurance Regulation, the lead state, as a Secure-3 Certified Reinsurer.

Endurance Specialty Insurance Ltd. is certified to reinsure and post reduced collateral for Minnesota domestic insurers for the lines of property and casualty reinsurance effective January 1, 2025 through December 31, 2025. The status of Endurance Specialty Insurance Ltd. for collateral reduction is contingent upon maintaining full compliance with the provisions contained in Minnesota Statute § 60A.0921.

If you have any other questions regarding this corporate filing, please contact Jennifer Price via email at jennifer.price@state.mn.us.

Sincerely,

Kathleen J. Orth
Director of Insurance Solvency/Chief Examiner
