RE: Endurance Specialty Insurance Ltd. Renewal for Certified Reinsurer Status

Dear Ms. Mieles:

The Nebraska Department of Insurance ("Department") has completed our review of Endurance Specialty Insurance Ltd. ("Endurance") passporting renewal request for Certified Reinsurer status in Nebraska. Endurance was certified by the Florida Office of Insurance Regulation with a rating of Secure 3 effective January 1, 2025 through December 31, 2025; further, such certification renewal has been reviewed and approved by the NAIC Reinsurance Financial Analysis (E) Working Group for passporting renewal purposes. Accordingly, pursuant to Neb. Rev. Stat. §44-416.06(6)(g), Endurance is renewed as a certified reinsurer in Nebraska with a rating of a Secure 3, effective January 1, 2025 through December 31, 2025. Please note, certification is contingent upon Endurance maintaining the minimal financial strength rating required for a Secure 3 rating and compliance with Nebraska certified reinsurer requirements as further defined within Neb. Rev. Stat. §44-416.06(6) and the supporting regulation, Title 210, Chapter 65, Section 008.

For all future renewals please ensure a renewal request letter and the approval letter from the certifying lead state is submitted to the Department within 30 days of the expiration of Certified Reinsurer status in Nebraska.

Please feel free to contact me if you have any questions.

Sincerely,

Chris Amory, CFE, PIR
Holding Company Specialist

Eric Dunning, Director
