Re: Endurance Specialty Insurance Ltd.
2025 Wisconsin Certified Reinsurer Passport Application

Jessica M. Mieles:

Effective January 1, 2020, Endurance Specialty Insurance Ltd. (ESIL) was approved as a certified reinsurer in Wisconsin, pursuant to s. Ins. 52.02 (4m), Wis. Adm. Code. The company was assigned a Secure Rating of Secure 3, which requires the posting of a minimum of 20% collateral.

In an email dated October 1, 2024, ESIL provided a renewal application and requested that its certified reinsurer status be extended through December 31, 2025. This office has reviewed the renewal application and approves ESIL's certified reinsurer status through December 31, 2025. The Secure Rating remains at Secure 3.

Should ESIL wish to retain its certified reinsurer status, a renewal application is required to be filed for reconsideration no later than October 1, 2025, for the period of January 1, 2026 through December 31, 2026.

If you have questions, please email OCIReinsurance@Wisconsin.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Erdman'.
