Sompo Excess & Surplus / Wholesale

Powered by People. Driven by Purpose.

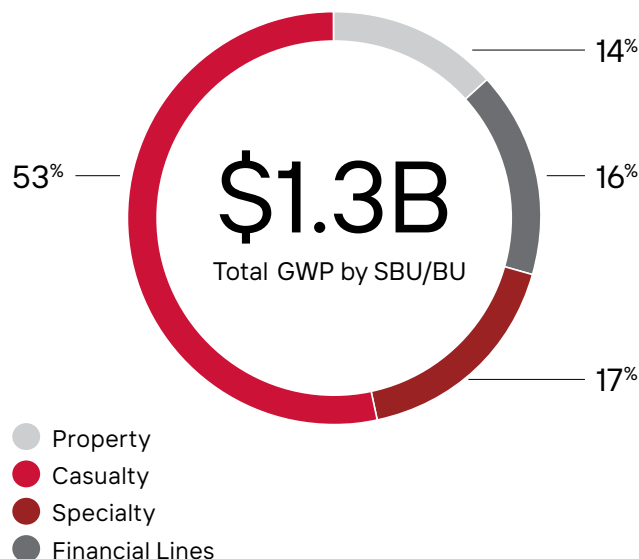

Risk is growing more complex as geopolitical, economic, and social dynamics become increasingly heightened and interconnected. In this evolving landscape, insureds need more than just coverage — they need a partner powered by people and driven by purpose. At Sompo, our excess and surplus lines solutions are built for U.S.-based businesses facing unique and challenging risks. We harness the strength of our strategic wholesale partners to deliver meaningful capacity in a dependable manner, fast turnaround, broad appetite, competitive pricing and responsive claims service. Our expert underwriters and dedicated teams are passionate about simplifying the intricacies of risk, providing a frictionless experience, and consistently elevating the Wholesale channel. Every decision we make is guided by our commitment to people and our purpose: **to protect, empower, and serve with excellence.**

Sompo's Investment in E&S, Products and People:

- More than 30 products offered through the channel.

“

The job being done is strikingly better than anyone I have ever worked with in a similar position, at any market.

At every turn [the Sompo claims handler] has not only been willing to go above and beyond, but done so without even needing to do so as the claim was already being handled so well.
