# SompoRe Property Facultative

SompoRe delivers tailored Property Facultative reinsurance solutions designed to help insurers manage a broad spectrum of property risks worldwide. Backed by Sompo's financial strength and underwriting discipline, our team works closely with clients to structure effective protection for individual risks and complex portfolios. Our dedicated Property Facultative specialists provide consultative support to desk underwriters and ceding partners, helping to develop multi-layered reinsurance solutions aligned with broader risk management and capital objectives. We offer bespoke facultative excess of loss coverage with a strong focus on risk selection. Using a dual distribution approach, we write business directly with ceding companies and through brokers in North America, on an individual risk basis as well as through semi-automatic and automatic facilities.

**Target Clients**

We target large insurance companies who write multinational or domestic-only business, as well as US-based regional and specialty insurers. We seek to partner with clients that have strong balance sheets, demonstrated market expertise, a clear catastrophe management strategy and the ability to provide comprehensive exposure data.

**What you can expect from our team:**

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength
